Corona Virus and Potential School Closures

Snohomish Health District has recommended that school districts remain open at this time, but non-essential large gatherings be cancelled or rescheduled to minimize the spread of the Coronavirus, also called COVID-19. Mukilteo School District is following their recommendations by cancelling or rescheduling afterschool and evening activities and will re-evaluate before next Friday, March 13. Sno-Isle TECH is part of the Mukilteo School District.

In the event of a school closure at Sno-Isle TECH, information will be posted on the Mukilteo School District website.
