Course or Section Policies and Procedures

- This course is a three-credit course and as such it is expected that everyone will come ready to work from bell to bell.
- Material is accessible online to all students from the beginning of each unit and includes lecture, video, reading, worksheets, hands-on labs, quizzes, objective tests, and lab tests.
- Expectations are that every student does every assignment assigned in the program, and in exchange, I do not give busywork.
- Students work alongside second year students who are mentors and project managers.
- Sno-Isle TECH Skills Center is administered by Mukilteo School District and follows MSD School Board Policies and Procedures.
- Academic Honesty and Integrity violations include, but are not limited to:
 - Plagiarizing, copying, or submitting any part of another person's work (written, visual, or auditory) as representing one's own work.
 - Distribution/Sharing/Receiving of class assignments or test information in written, electronic, or verbal form to/from another student without teacher permission. Students in physical or electronic possession of unauthorized academic materials, whether requested/used or not, may be subject to disciplinary action.
 - Using "crib notes": Any use of unauthorized notes on tests/assignments (written notes or electronic devices of any kind).
 - Altering or Accessing Official School Documents: A student shall not alter official school documents, either paper or electronic, or open school documents not specifically addressed to the student.
 - Suspected and confirmed instances of academic dishonesty will be referred to administration for documentation.
- **Assessment Criteria and Grading Policies:** Grades are based on hands-on labs, group critical-thinking projects, quizzes, and tests, and a final project that includes a test, a written component, and a skills test. The final is 50% of the overall semester grade each semester as it is a comprehensive assessment of student learning for the semester. Students must not be absent during the two weeks of finals if they intend to pass the program.
 - Coursework 30%
 - Leadership 10%
 - Assessments 10%

- Semester Final 50%
- **Professionalism Policy:** Leadership and professionalism is approximately 10% of a students' overall grade and includes such things as using skills outside of class time, volunteering inside or outside of class, mentoring other students, and many other opportunities throughout the year.
- **Make-up or Late Work:** Late work and make up work are not accepted without prior arrangement as ample class time is given.
- **Grading communication:** Parents and students can access grades through our online grading system. Grades are updated after every unit, which is approximately every two weeks.
- Sno-Isle TECH Skills Center can support accommodations for learning and health needs. The same as your sending school, we need updated paperwork that states what accommodations are needed. Please turn in any updates to your learning and accommodation plans to me or the Study Center staff.
